

The Five Step FOOD SITE PROCESS

Express Interest

Site partner reaches out or we recruit them to become a potential partner.

STEP
01

Connecting

We discuss the type of youth program, meal type, enrollment numbers and other logistics.

STEP
02

Qualifying

We gather the site's most recent health department inspection information, fire marshal review, and pest control records.

STEP
03

Application

NRC Fulton creates and submits the application for the site to the appropriate USDA meals program.

STEP
04

Deadlines

Upon approval, NRC Fulton works out final logistics for delivery start date and prepares for food service to begin.
